

AUDIT PREPARATION

Clients often call on The Siegfried Group to assist with their audit preparation. Siegfried professionals work with our clients' internal audit department to obtain evidence supporting the accuracy of the financial statements. By utilizing Siegfried professionals, pre-audit work can be completed on a timelier basis enhancing the client's ability to plan, schedule and begin audits in a more reliable, timely manner. As a result, clients are more prepared for the audit - resulting in a cleaner, more efficient audit.
