

# Five Reasons the Work is Great for Our Employees & Clients

*Integrity. Performance. Results.*

## For Our Employees

**1**

### **Participate in Interesting Assignments of Strategic Significance**

Siegfried professionals assist major public companies and other large organizations with high-level accounting and finance projects. These sophisticated assignments are technically challenging, providing Siegfried professionals a diverse array of experiences in an interesting environment.

**2**

### **Interact with Senior Accounting and Finance Professionals at Fortune 500 Companies**

Siegfried clients own and direct their projects. As a result, Siegfried professionals work side by side with the key leadership of Fortune 500 companies all the while expanding their network of contacts and gaining valuable experiences that enrich their professional growth.

**3**

### **Experience a Variety of Companies and Industries**

In five years with The Siegfried Group, employees assist 5+ large organizations spanning multiple industries and encounter a wide variety of corporate cultures and professionals.

**4**

### **Focus on the Present while Enhancing Your Future**

As full-time professionals, Siegfried employees do not have to worry about where their next assignment will come from. When assigned to a project, they are able to focus on the task at hand without having to juggle the competing priorities of multiple clients all the while gaining valuable knowledge.

**5**

### **Contribute to Projects the Make a Difference**

Siegfried professionals contribute to projects of high importance. Their presence on a project increases a client's in-house human resource capability and productivity. Clients are able to capitalize on important opportunities and Siegfried professionals feel valued and go home at night knowing they made a difference

## For Our Clients

# 1

**Meet Critical Business  
Objectives while Maintaining  
a Motivated and Energized  
Staff**

Our ability to supply top quality professionals to respond quickly to our clients' needs gives them a strategic edge. Rather than reacting to forces beyond your control, you remain prepared, proactive and flexible. Instead of falling behind, clients stay ahead. Instead of feeling stressed, clients enjoy peace of mind.

# 2

**Capitalize on Important  
Opportunities**

The Siegfried Group's variable resource solutions increase our clients' flexibility. Clients are able to respond to surges in strategically important project work without the financial obligations of adding additional permanent staff or the pressure of realigning priorities.

# 3

**Enjoy the Benefits of  
Resourcing Not Outsourcing**

Clients own the work when they engage The Siegfried Group's services. We do not dictate how a project should be completed or determine the work to be done. Our professionals function as the arms and legs of our clients, augmenting their staff. We deliver consistently reliable results on time, helping our clients be more productive.

# 4

**Access Innovative Business  
Solutions**

We respond to our clients' needs in unique and powerful ways, turning what could be an ordinary outcome into an extraordinary result. We ask probing questions to challenge and stimulate important issues and then we work with our clients to address these issues

# 5

**Experience a Higher Level  
of Service**

The experience and expertise of our professionals is impressive, but just as important is their solid character, commitment and strong analytical ability. To each assignment we bring a positive attitude, perseverance, and the ability to communicate and work well with others. Siegfried professionals are full-time employees; when assigned to a project, it is for as long as the client determines. Clients feel confident that the critical work will get done by individuals who are committed to advancing their success.
